RE: [redacted] Drive, West Linn, Oregon Job

Dear Ryan:

Thank you again for all your assistance in making my home a home again. I've told you before your help made it all happen. We're grateful for your guidance early on and it's nice to be in a home that's finally worth what I paid for it.

Herewith is my check for Invoice #8032 in the amount of [redacted] for the contract completion.

As I mentioned, please call me next week and remind me of the copies you desire in the estimate process.

Sincerely,

Tim [redacted]
